

TASK 23

Package Delivery

Data travels on the Internet as packets. Cut out the packets from the worksheet. Can you help reassemble the messages for robot, computer and Ruby? Pay attention to the sequence so that you get the emoji in the message in the right order.

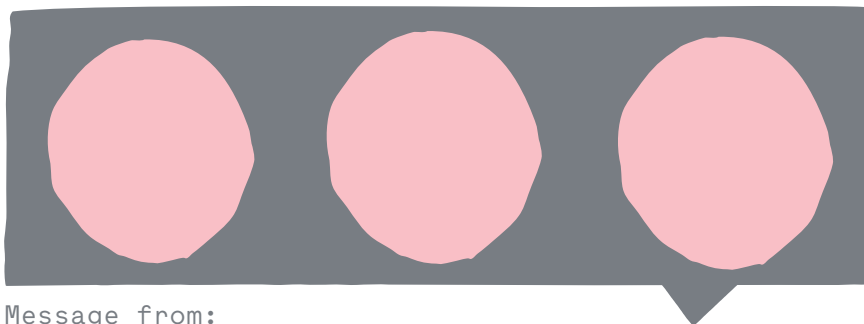

Message from:

The message the robot gets:

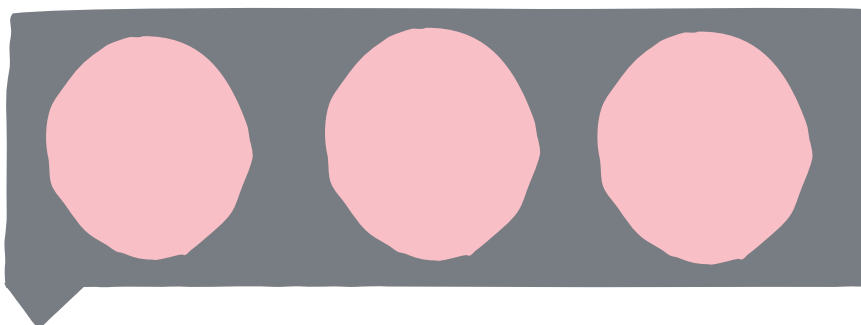

Message from:

The message the computer gets:

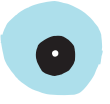

Message from:

The message Ruby gets:

TASK 22
MAKES SENSE

I FEEL
WITH TOUCH

I SEE
WITH EYES

I SENSE MOVEMENT
WITH MOTION
SENSOR

I HEAR WITH EARS

I SMELL
WITH NOSE

I SEE
WITH CAMERA

I TASTE
WITH MOUTH

I SENSE TOUCH WITH
PRESSURE SENSOR

I HEAR WITH
MICROPHONE
